Google Classroom

- These will be the required learning platforms used together during distance learning.
- There will be “real - time” daily lessons utilizing curriculum from Canvas as well as teacher supplemented curriculum.
- Google meets will be used to support live lessons (much like this orientation!).
 - Only the student’s CCSD email will work with Google Meets.

How to Access Google Classroom

- Student needs to go to www.google.com and login.
- They will go to the waffle at the top right of the screen and select google classroom.
- They will be provided with a passcode from each of their teachers to access their google classrooms.
 - Have student check their school email BEFORE school begins for google classroom passcodes from their teachers.

How to Access Canvas

- canvas.ccsd.net
- Students will use their Active Directory Login (same information as you would log into a computer).

Clever

clever.ccsd.net

- Students will login with their Active Directory information to access Google Classroom, Canvas, Achieve, etc.
- It's a one stop shop for ALL apps used at Cannon Junior High School

Additional Resources

Please visit Cannon JHS website for additional resources for you and your student to navigate through the learning platforms we will be using during Distance Education.

Virtual learning tips to help your child be successful

1. Help your child by establishing routines and expectations.
2. Choose a physical location that's dedicated to school focused activities.
3. Stay in communication with teachers.
4. Allow your child to “own” their learning.
5. Begin and end their day with a check-in/check-out process.
6. If you have concerns about lessons or content set up an appointment to discuss with teachers after class.
