- Cannon JHS is dedicated to providing support to parents that will build their capacity for involvement that will ultimately improve their child's academic achievement through increased communication from administration, teachers, counselors, and support staff.
- Cannon's largest concern is with student perceptions. Our focus will be to improve upon students feelings regarding their personal physical safety during school and school related activities.
- Parents and family members of our students will be encouraged to attend our open SOT meetings.
- Cannon brings in numerous external programs to help our more needy families. These resources include; School Bell, 3 Square, Angle Tree, Century Link Tutors, Mobile Medical Clinic, FACES support and a state funded social worker. Parents are sometimes notified of these services through the ParentLink system or in other cases pre-identified via counselor, teacher, social worker, and others who work closely with parents and students.
- *Our 2022-2023 Parent and Family Engagement Plan development meeting will take place in October. Date and time will be sent out via ParentLink in the coming weeks.*
